

Double Twist Blackjack

Rules: Standard Blackjack Rules Will Apply

Double Twist Blackjack offers players three chances to win a bonus payout during a single round of play.

To start the game players must place a wager in one or both of the blackjack circles, this will determine which blackjack hand the player is wagering on.

Players who have placed a wager on at least one blackjack hand have the option to place a bonus wager in the circle above their blackjack wager, this will determine the blackjack hand the player is wagering on for their 3 card bonus bet.

To win a 3 card bonus payout players must achieve a pair or higher by using their 2 initial blackjack cards and the 1 dealer up card for a total of 3 cards.

To win a Progressive Jackpot bonus payout players must place their wager on the spot marked Jackpot. To qualify for a Progressive Jackpot payout, players must wager on both blackjack spots and achieve a hand of Jacks or higher by combining both of their blackjack hands totaling 4 cards and the dealers 1 up card.

Player(s) are paid based on the highest single payout for a poker hand they achieve according to the pay tables posted on or at the blackjack table. The dealer shall collect all non - winning bonus wagers and pay all winning bonus wagers. Once all the blackjack wagers and bonus wagers are settled the dealer will begin dealing another round.
